CASE NO. CR-09-334  
ORDER SETTING PRE-TRIAL  
CONFERENCE

On September 16, 2009, the defendant, Daniel Escamilla, appeared before the Court, without legal counsel, for arraignment, and Patricia Castro appeared for the Tribe.

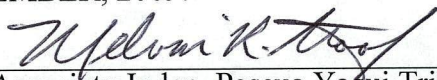

The defendant was read his rights, waived reading of the complaint, an he attempted to enter a no contest plea to Count One, Assault, Domestic Violence, Count Two, Domestic Violence Threatening or Intimidating, and Count Three, Disorderly Conduct, Domestic Violence. The Tribe indicated that based on the seriousness of the charges, and considering the interest of the alleged victim that the interest of the public in the administration of justice would not be served by accepting a no contest plea. The defendant entered a not guilty plea. The Tribe recommends the defendant be released under prior conditions of release and bond, pending his trial. The defendant did not object.

**IT IS ORDERED** that the defendant, Daniel Escamilla, shall be released on a \$500.00 bond, previously posted.
